

Mechanical Warranty

The Tirecraft dealer warrants that repairs and services performed at their location, will be free from defects in materials and workmanship for 12 months or 20,000 kilometers of use, whichever comes first, measured from the date of the first repair and the odometer reading shown on the original repair order. This warranty is conditioned on the vehicle being subjected only to normal, non-commercial use and receiving reasonable and necessary maintenance during the warranty period. Warranty repair costs shall in no case exceed the costs of the original related repair or service. If there is a defect in either materials or workmanship within the warranty period, Tirecraft shall have the option to either perform remedial service work at no charge to the customer, replace the defective warranted part(s) without charge to the customer, or refund the entire charge for the warranted repairs, minus any previous refunds or credits.

Exclusions: You must pay for any non-warranty service you order to be performed at the same time as the warranty service. If any customer declines necessary services or repairs when these services were recommended in writing by Tirecraft and are deemed necessary by the manufacturer in the proper completion of the original work undertaken, no warranty shall apply. This warranty will not apply to your repaired vehicle if it has been damaged by abnormal use, misuse, neglect, accident, alteration or "tampering with" (by anyone than the Tirecraft dealer and/or Tirecraft employee). Tirecraft and their employees do not have the authority to modify the terms of this warranty nor make any promises in addition to those contained in this warranty. This warranty does not in any way include INCIDENTAL OR CONSEQUENTIAL DAMAGES (additional expenses in which the customer may incur as a result of a faulty repair or service).
